

The Rose and Crown pub in Rangeworthy had a break in, in the early hours of Thursday 9th July at approx 2.30am. CSI attended the scene and did find some forensics, however if anyone was passing through the village and saw anything suspicious please contact myself on 0117 945 5979.

I have come across a number of cars being left with windows down on drives and in various car parks. Can I please ask all residents to be mindful when they do this; this leaves your vehicle very vulnerable to thieves. Don't be lulled into a false sense of security because it is on your driveway. If you are not with your vehicle either leave the windows open a jar or close completely. It only takes seconds for items to be stolen.

I am pleased to report the damage to Rangeworthy village hall has stopped. Police have been paying close attention to the hall over the past few months, patrols will continue. I appeal to residents to keep an eye on their local amenities and anything suspicious to phone either the 0845 456 7000 number to report an incident, or if it is just for information purposes 0117 945 5979.

With the summer holidays fast approaching and many families going away, I would ask residents to keep an eye on your neighbour's properties. If you also want to inform the beat team, we will be happy to pay passing attention and check on your property, as and when we can.

PCSO Haley Harrison
